Dear Messrs. Lipman and Ferenchak:

The Commission has reviewed the Application for Authority to Provide Resold and Facilities-Based Local and Interexchange Telecommunications Services, its Initial Tariff and additional information filed on February 17, 2012, and April 11, 2012 by 24/7 Mid-Atlantic Network, LLC.

After considering this matter at the April 25, 2012 Administrative Meeting, the Commission authorized the Company to operate as a provider of resold and facilities-based local exchange and interexchange telecommunications services, granted the requested waivers in Waiver Groups "A" and "C" and accepted the initial tariff for filing. Accordingly, by May 25, 2012, the Company is directed to file an original and one (1) "clean" copy of its initial tariff with an effective date of April 25, 2012 and with the revisions requested by Staff to the ICB language on page 40 of the tariff.

By Direction of the Commission,

A handwritten signature in blue ink that reads "David J. Collins".
